

Museum Visit or Traveling Trunk School Visits

4th Grade School Programming

The Marin History Museum

1125 B St, San Rafael, CA 94901

Museum visits include:

- Tour of the Rancho Roots exhibit
- Interactive timeline activity
- Diseño drawing activity

Traveling Trunk visits include:

- Interactive timeline activity
- Hands-on rancho object exploration
- Diseño drawing activity

Learning Objectives

Students will:

- Assess the economic and social relationships between the Californios and Indigenous people during the Rancho Period.
- Analyze everyday objects to better understand daily life on the ranchos.
- Create their own hand-drawn maps inspired by historical diseños from the Rancho Era.

This program supports the
California Standard HSS-4.2.

Program Duration :

Approximately one hour for each program.

A Spanish-language tour for school groups is also available upon request.

Students may enjoy recess and lunch breaks at the Boyd Memorial Park Playground, located next to the museum.
